GRADE TWO

GRADE THREE

LITTLE CHEF PROGRAM

Grade 2-3 Students

We are starting an exciting new 7-week program. Class will begin on Nov. 5th, Tuesday afternoon from 3-4pm in AACA Kitchen. There are 10 spots available, so first come, first served. Sign up by emailing Mrs. Cottreau at principal@aacaph.ca.

A future program later in the year will be offered for students who miss their chance this time.

Presented by: Askim Chundu
Sponsored by Namgis First Nation

DONATIONS

Grade 4 & 5

Mrs. Cottreau is looking for any donations of new or used items that students earning classroom dollars might be interested in. You can drop off your items at the school office anytime! You never know what might be of interest to them, so don't be shy!

Check this out! 

CROCHET CLUB

Gr 4-8

THURSDAYS

3:15-3:45 PM

LIBRARY

CLUB INFO:

Mrs. Cottreau and Ms. Armstrong will teach students to crochet. Students already experienced with knitting and crocheting are welcome to bring their projects along and work on them. Students learning to crochet will be provided with yarn and crochet hook.

We are super excited to be offering these two new after school clubs! The Little Chef Program is for Gr 2-3. You will need to sign up by emailing Mrs. Cottreau to register for the Program!

Crochet Club is back! Popular in the past at AACA, we are introducing it to our new school family. It will run each Thursday in the library (in place of Board Game Club) from 3:15-3:45.

Please note the end at 3:45pm to coincide with the city bus pick-up time. No signing up in advance necessary, just come!

Sports Club will no longer be running at this time. We will take a break and learn some new skills.

Thanks!
