MATHTOWN MALL

Grade 5 & 6 students are busily working on their Math Stores. Each student chooses the name of their little store and what goods and services they will provide. Grade 2-4 students will be their customers when they open for business at the end of the month. Real money will be provided for the event, to give everybody a chance to learn how to count change. Then the money gets collected again and taken back to Mrs. C.'s "piggy bank." We would love have parents come and observe the business in action. See you Monday, January 30th from 8:30-9:30 a.m.!

THE WHEELS ARE TURNING

On Wednesday, February 1st, students in grades 5-8 will be rollerskating / rollerblading in the gym at 2:00 p.m. for an SA planned event. Please bring your skates/blades and helmets and extras to share if you have extra.

GYMNASTICS

For students in grades 2-4, for a month (February 6-March 6) we will be focussing on Gymnastics on Mondays and Wednesdays at Funtastics Gym! Watch for permission forms.
