Accessible BC Act: Parent Update

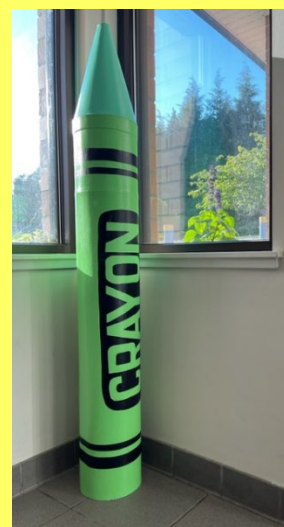

Over this next year, BC schools are establishing policies for the new Accessible BC Act to make learning environments better!

Avalon welcomes the input of our school community in identifying both the successes and barriers that impact the participation of individuals in the life of our school.

Your feedback is welcome:

- ~physical access (doorways, parking, etc.)
- ~vision (outdoor night lighting, curbs you can't see well, etc.)
- ~hearing (difficulty hearing teacher or announcements, etc.)
- ~sensory (sensitivities to noises, lighting, etc.)
- ~overall environment (busy hallways, etc.)
- ~mental health (anxiety, test taking, public speaking, etc.)
- ~other

If you have any concerns or suggestions, please contact me or any of the AACA staff and we will do our best to improve each situation.

A BIG thank you to Mohammad for donating the life size school supplies to brighten up our school!! 😊

Birthday wishes for our September students: Jordan, Charlie, Hunter, Hana & Colton
