Thank you to those who have donated a booster seat. We are looking for 1 more booster seat. If you

have an extra one you don't use we would be happy to put it to use!

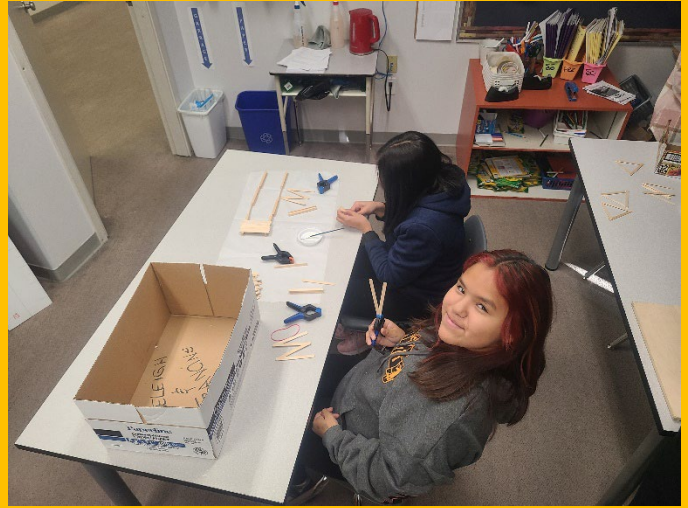

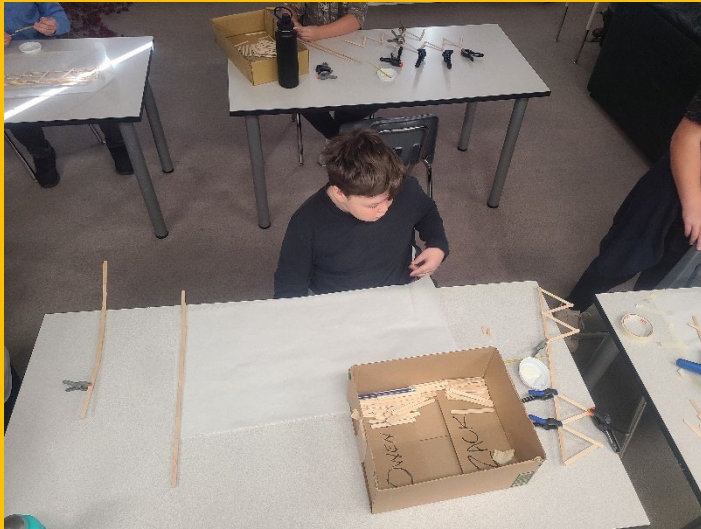

Looking for some scrap pieces of dark-colored fishnet to mend our soccer nets. If you have some scrap pieces that you can donate to Avalon, our soccer players would be most grateful!

Thank you Mrs. G. for your time volunteering and teaching the students how to make beautiful art projects!
