Issue #33

Fixing a Flat Tire

When Ms. Teresa got a flat tire this week, Mr. C put some kids to work!

No School Monday

→ Victoria Day

Veggie Burger Hotlunch served on Sports Day!

CASUAL DAY on SPORTS DAY

Wear athletic attire please. Bring along a sweater in case it gets cool, and have a tee shirt and maybe shorts in case it gets hot. A water bottle and snacks are also a must, along with lunch or \$5 to buy hotlunch.

Grade 1&2 Butterflies Take to the Air

Ms. Mandy's grade 1 & 2 class invited everyone to join them in setting their butterflies free today! Mrs. Oickle has been caring for them while Ms. Mandy was recovering at home this week. One by one, students watched each butterfly leave their nest and test their wings in the sunshine!

SPORTS DAY: Thurs, May 26

What? Sports Day includes racing, jumping, and throwing events and team games. (Gr k-1 have a separate program called Mini-Olympics)

When? Same start time, 8:30, but early dismissal at 1:00 pm.

Who? Students from Kindergarten to Gr 9.

Where? Please drop off and pick up your children at the Storey's Beach Pavillion.

What if it's rainy? A little rain is no trouble. If heavy rain is forecast, regular school will be in session, BUT, the casual day will remain and so will the 1 pm dismissal. We will keep you posted.

Why? We gain confidence when we push ourselves in different ways!

Visitors this Week

This week Avalon hosted 7 visits for Open House from Kindergarten to grade 7!

Altered Assembly

Instead of our regular assembly this week, we did four activities around the school. Each grade group moved every 15 minutes to a new classroom with a different teacher. It was nice to mix up the teachers and students and get students more involved. Students can look forward to more assemblies like this in the future, and hopefully take more active leadership roles with their great ideas!

Program Changes

Earlier this spring, it was announced that our Preschool/Daycare/ After School Care Program would not be able to run in the fall. After parents responded with a strong show of support for the program, a number of meetings took place. The School Board is happy to announce that it has reversed its decision and the program will continue! There will be some necessary changes, however, that will soon be confirmed and ready to share publicly. Thank you for your support and patience as these modifications are being made.

What do these three pictures have in common? Gr 7-9 Movie Scenes!

The movies will be closer in length to trailers, but student groups are working with their imaginations to create their own stories. The school will be invited to view these new releases in the coming weeks!

Grade 5&6 are also currently working on their next skit to present at an upcoming assembly. It is titled: **The Misunderstood Paramedic.**
