

All About your TEACHER

WELCOME

It is a pleasure to have you come and be a part of the Preschool or Afterschool program. We are going to have lots of fun!!

ALL ABOUT ME

I am so excited to make this a great year for all of us. I have been working in the childcare industry since 1985 and have enjoyed every aspect of working with children. I moved to Port Hardy on Oct 17/1994. I had 2 sisters living here at the time, but after 3 years of my arrival, both moved away one back to Alberta and the other to the USA. I have grown to love this little corner of the world, the ocean, the wildlife and mountains as well as the very little snow fall, we get. I feel blessed.

Preschool

Preschool is a wonderful time where you will grow and learn amazing new things. I believe that each child is lovingly designed by God for a purpose. A biblically based, age-appropriate learning environment and through age-appropriate experiences all children will develop an appreciation of play, learning, grace, their own value and the value of others, most importantly the overwhelming love of God.

Afterschool

This is a place where afterschool students can come into a welcoming environment and have the time to do homework, create, move, discuss, observe or just a sit quietly and read. A snack will be provided.
